wadapartja welcomes you!

At Wadapartja you can shop, eat and drink the whole day! We serve breakfast, lunch, homemade sweets and nice snacks & appetizers. The nice thing about us is, everything is for sale! We have a store at the Zuiderdiep and on top of that the tables, lamps, spoons, plants and even the art on the wall is for sale.

We think it's important to know what you're eating. That's why we work with a lot of local products. Check out the front of the menu to see some of our suppliers and where they come from.

Check our website for the opening hours of both venues
