Wadapartja welcomes you!

At Wadapartja you can shop, eat and drink the whole day and evening. We serve breakfast, lunch, dinner, homemade sweets and nice snacks & appetizers. The nice thing about us is, everything is for sale! We have a store, but also the tables, lamps, spoons, plants and even the art on the wall is for sale!

We find it important that you know what you eat. That's why we have 'Beter Leven **' chicken and eggs, local Porc d'or pork and beef from the province. We also have a few local suppliers, like our Bax beers, bio-dynamic vegetables from 'Eemstuin', coffee beans from Koffiestation and sustainable bread from our baker Luuk. Locally is not too far away!

Would you like to have the Wadapartja experience at home or at work? It is possible to have your food & drinks delivered by Fooddrop or ask about our catering possibilities!

Also, check our Facebook & Instagram for fun, news & events.
